

Cycling

La frontalière (long loop)

Pedal your way across 87 km of challenging terrain between Ayer's Cliff, Quebec, and Newport, Vermont. Full of pleasant surprises, the route follows one of the few dedicated bicycle paths along the shores of Lake Memphremagog. By exploring both the Tomifobia Nature Trail, with its vibrant ecosystems and rich diversity of plant species, and connecting trails in Vermont, you can admire Lake Memphremagog from both sides of the border. Be sure to keep your passport handy!
