

Walking/Hiking

Sentier du Lièvre

The gravel-covered "Lièvre" (Hare) trail winds its way through a wet cedar grove. Hikers find themselves enveloped in an almost otherworldly atmosphere. It's the perfect spot to enjoy some shade and cool down on hot summer days. With its sweet smells and fern-covered ground, the Sentier du Lièvre is a truly magical destination!

This trail poses significant challenges to people using manual or power wheelchairs.
